IS NOT THE ABILITY  
TO WAIT, BUT THE  
ABILITY TO KEEP A  
*good attitude*  
WHILE WAITING.

## Values at Davyhulme Primary School

March 2020 Newsletter

Patience is the  
ability to count  
down before  
you blast off.

BE PATIENT.  
THE BEST  
THINGS  
HAPPEN  
UNEXPECTEDLY.

This month's value is  
**Patience**

Patience is not  
about doing nothing.  
Patience is about constantly  
doing everything you can.  
But being patient about results

“Have **PATIENCE**.  
All things are  
**DIFFICULT**  
before they  
**BECOME** easy.”
