

Dear Parents/Carers,

Harvest Festival

We have decided to celebrate Harvest Festival through a number of events throughout the school.

There will be a special assembly for Y3 children at 2.15pm in the Junior Hall on Wednesday 11th October. Parents and Grandparents of these children are very welcome to come and watch the Y3 children perform their Harvest Festival Assembly and see the children bring in their harvest gifts. Due to Health and Safety, tickets will be issued to Year 3 families (two tickets per family). The tickets will be sent home with your child on Monday 9th October. There will be a short harvest assembly in the Infant Hall, led by the Y1 children on 12th October at 9.15am for which we would like to invite the parents and grandparents of the Year 1 children only.

We are continuing to support the Wood Street Mission charity as we have done in previous years, and all of our harvest donations will be sent to this charity which supports vulnerable children and families in the Manchester area.
