

PUPIL PREMIUM GRANT 2016/17

The Government has allocated a specific 'Pupil Premium Grant' (PPG) to every school. This is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for Free School Meals at any point over the last six years; children who have been 'looked after' for more than six months, or children of service personnel. The PPG is aimed at addressing the current underlying inequalities which exist between children from disadvantage backgrounds and their more affluent peers. The DFE has given us the freedom to use the PPG as we see fit, based on the knowledge of our pupils' needs. The community of Davyhulme Primary School is unique and through discussions with our stakeholders they have helped us understand that they face these issues:

1. Closing the Gap nationally with their peers and closing the gap within our school.
2. Increasing opportunities available to them within the extra curriculum.
3. Building aspirations both in the short term and long term.

The senior leadership of the school have decided to meet those challenges in a variety of ways as you can see from the following.

Total Pupil Premium funds £98,912

<u>SPENDING</u>	<u>COST</u>	<u>OBJECTIVE</u>	<u>OUTCOME</u>
Staffing costs 1:1 tuition and intervention groups	£53,387	To support and improve basic skills in literacy and numeracy. Close the gaps where possible.	The majority of our pupils made expected progress and a number exceeded expected P.
Tutoring sessions	£5,464	As above but in specific sessions after school.	100% of our PP children in these sessions secured a place at their chosen (1st choice) school.
Improved learning resources	£987	To provide enhanced learning aids to enable pupils to make progress.	A number of our PP children are also SEN and they have made between 5-6 steps of progress.
Enhanced curriculum – singing lessons/music	£8456	To enable access for all children to a vibrant musical experience to enhance listening skills in particular.	PP children and the wider school have greatly benefited from an enhanced music experience which has had a positive impact on results across the school.
Cultural trips/theatre productions	£1,909	To provide an awe and wonder experience , reward for hard work during	An important contribution to the broad and balanced curriculum we offer

		the year.	which again has a positive impact on academic scores
Contribution to extracurricular clubs	£1,527	To enable opportunities to be more inclusive to PP children allowing them some choice.	PP children do not miss opportunities because of cost - fully included in accessing rich variety of opps
Enhanced curriculum – Spanish lessons	£5,270	To enhance Modern Foreign Languages across school adding a major world language to our curriculum.	Some of our PP are also EAL and these sessions boost their confidence as they start on a ‘ level playing field ‘
Longford Park Outreach SLA	£1,515	A small number of our pupils required specialist support to enable them to access the NC and to enable their classmates to do so undisturbed.	By employing the services of specialist behaviour teachers we have been able to meet individual and whole class learning needs in certain cohorts.
TOTAL SPEND 16/17	£78,515		

£20,397 TO BE CARRIED FORWARD TO COVER PLANNED EXPENDITURE IN 17/18

Further detail on attainment:

In Reading in Key Stage 1, 11/12 or 92% of Pupil Premium pupils are working at Age Related Expectations or above compared to 89% for the school.

In Reading in Key Stage 2, 23/39 or 59 % of Pupil Premium pupils are working at Age Related Expectations or above compared to 81% for the school.

In Writing in Key Stage 1, 9/12 or 75% of Pupil Premium pupils are working at Age Related Expectations or above compared to 86% for the school.

In Writing in Key Stage 2, 24/39 or 49% of Pupil Premium pupils are working at Age Related Expectations or above compared to 83% for the school.

In Maths in Key Stage 1, 10/12 or 83% of Pupil Premium pupils are working at Age Related Expectations or above compared to 86% for the school.

In Maths in Key Stage 2, 23/39 or 67 % of Pupil Premium pupils are working at Age Related Expectations or above 84 % for the school.

Davyhulme Primary School is continually exploring strategies of intervention to help narrow the gap and ensure that our most vulnerable pupils are given every opportunity to realise their full potential.
