

## PUPIL PREMIUM GRANT 2015/16

The Government has allocated a specific 'Pupil Premium Grant' (PPG) to every school. This is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for Free School Meals at any point over the last six years; children who have been 'looked after' for more than six months, or children of service personnel. The PPG is aimed at addressing the current underlying inequalities which exist between children from disadvantage backgrounds and their more affluent peers. The DFE has given us the freedom to use the PPG as we see fit, based on the knowledge of our pupils' needs. The community of Davyhulme Primary School is unique and through discussions with our stakeholders they have helped us understand that they face these issues:

1. Closing the Gap nationally with their peers and closing the gap within our school.
2. Increasing opportunities available to them within the extra curriculum.
3. Building aspirations both in the short term and long term.

The senior leadership of the school have decided to meet those challenges in a variety of ways as you can see from the following.

Total Pupil Premium funds £95,691
