

This half term (Summer 1), Year 4 will be learning about the following topics:

<p>English</p>	<p>Writing This term we will be starting our new topic which is Oceans. Our topic is based on the book Flotsam written by David Wiesner. It is a picture book, which tells the story of a boy who finds an underwater camera that has been washed up on the beach. We will be using the pictures in the book to stimulate the children's creative writing. We will be writing Non - Chronological reports about our own imaginary sea creatures. The children will also be writing the narrative to go with the pictures in the book.</p> <p>Spelling Punctuation and Grammar This term we will be continuing to encourage the children to use ambitious vocabulary in their writing. We will be focusing on using adjectives and adverbs and we will be continuing to learn how to use fronted adverbials in our work. We will be learning about past tense verbs and we will be encouraging the children to use speech in their writing. We will be continuing to have our daily spelling lessons and the children will be sent the spellings from each unit home every other week for them to learn. The words which Year 3 and 4 children are expected to be able to spell correctly are attached at the end of the newsletter for your information.</p>
<p>Maths</p>	<p>This term the children will be revising the work that they have already done on time. We will be looking at converting time, weight, length and capacity. The children will be continuing to learn about fractions and decimals. We will be looking at Roman numerals and how they are still used today. The children will be applying their knowledge of all of the above topics when answering word problems using the RUCSAC method.</p>
<p>Science</p>	<p>In Science, we will be learning all about Living things and their Habitats. We will be learning about the characteristics of living things and we will also be looking at different habitats and discussing why different living things choose those habitats.</p>
<p>Computing</p>	<p>Please see: espressocoding.co.uk Username: Student 22386 Password: davyhulme Please look at our school website to access our Year 4 Blog.</p>
<p>Topic (Geography)</p>	<p>We will be linking our Geography work to our topic Oceans. We will be researching the different Oceans around the world and the creatures that inhabit them. We will be looking at pollution in the Oceans and what we can try to do to stop this happening in the future.</p>
<p>R.E.</p>	<p>This term in R.E. we will be looking at 'Living'. The children will be discussing the different things that make them the person they are. We will be linking our R.E. lessons to Hinduism and we will be learning about Hindu way of life.</p>
<p>Art/D.T.</p>	<p>In Art we will create a range of Ocean based pictures. The children will be exploring different mediums to create their art work. Children will be painting with salt, making collages and using water colours.</p>
<p>P.E.</p>	<p>The children will be having outdoor games lessons on a Wednesday. All children will need their full P.E. kit and trainers in school each week so that they can take part in the lessons</p>

	outside. They will continue to do Games lessons and Street Dance on a Friday with the sports coaches and 4B will be continuing with their swimming lessons each week.
French	In developing their oracy and literacy skills, the children will be learning new vocabulary in context, for example: more clothes, the date, further phrases of celebration and greetings and French towns. They will also be using the vocabulary required to both ask and respond to more complex questions. Intercultural Understanding will be addressed through French Art and Music, through authentic French songs and finger rhymes and through traditional French stories.
Homework	The children's homework will go home on a Thursday and should be back in school for the following Thursday. English: Weekly comprehension homework and spellings or SPAG homework every other week. Maths: 1 piece of maths homework will be sent home each week. *Children should also be reading and practising their times tables every day and recording this in their planners.
Useful information for Parents	<u>Parents' Information</u> In order to support your child's learning at home, here are a few ideas you might like to try: - Listen, read and discuss with your child the book they are reading at the moment. Please listen to your child read every night and record in their planner. - Play times tables games and practice division as well as multiplication facts. - Visit your local library and make use of the books, CDs and video they offer, especially the ones related to your child's topic. - Practise your child's spellings with them - they will have a list of spellings to learn every other week for a test the following week.
