

Dear Parents,

School Art Gallery Opens!

The school cordially invites all parents to an exhibition of your children's art. This unique event will be held in our own art gallery – the Junior Hall.

Just like other gallery openings, the children's original artwork will be framed and catalogued allowing parents to browse and view the mini-masterpieces. By staging this event, we are aiming to develop the children's understanding of the value of art in our lives whilst raising funds for the school.

The school art gallery will be open to parents on **Tuesday 21st May 2019** from **3.30pm** until **5.00pm**. The children will have the opportunity throughout the day to visit the gallery with their class, but may also accompany parents after school. There will be the opportunity for you to view and purchase your child's work either on the day or during the week following the exhibition. Copies of your child's work can also be made and framed. For those of you who cannot attend but still wish to purchase your child's artwork, please return the slip below, to order your child's picture. Please ensure you include the correct change.

The children are very excited about showing you their work and we look forward to seeing you at the gallery!

Many thanks for your continued support,

Mrs Smithson
(Art Coordinator)
