As a result of the above, school now has its own 'home grown' specialist teacher in PE. A number of staff has increased confidence in leading sporting activities with the result that more children are being active and participating in physical activity.

The school has also continued to raise its' profile by being successful in local competitions such as The Tim Sutton Soccer Tournament (which we host for 10 other local schools) and 2015 winners of the Urmston and District Swimming Gala. The pupils also triumphed in a mixed Boys and Girls Tag Rugby tournament hosted by a local Rugby club.
