Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct. Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings.

## **5. Advancing equality of opportunity**

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Sharing attainment data each academic year showing how pupils with different characteristics are performing e.g. comparing attainment/progress of disadvantaged and not disadvantaged pupils.
- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities).
- Taking steps to meet the particular needs of people who have a particular characteristic.
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school activities).

In fulfilling this aspect of the duty, the school will:

- Analyse data to determine strengths and areas for improvement, and then seek to implement actions in response.
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic language being used).
